## Alfalfa & Trio Sprouts 120g - SPR06R

A punchy mix of radish, onion and lentil sprouts combined with the freshness of alfalfa. This tasty trio produces a pepper mill flavour effect, creating a complex and unique highlight.

**Flavour:** Peppery radish with mild onion, soft lentil and fresh alfalfa notes.

**Uses:** Use where a dish can hold a stronger flavour or for a mild offering that needs a peppery flavour push. Add lift to any savoury meal; great with red meat, casseroles, soups or wraps.

**Appearance:** A mix of feathery, pale strands with a small green sprout or seed head and soft sprouted lentils.

**Storage:** To maintain freshness, store Flowerdale Farm Alfalfa & Trio Sprouts between 1-4 degrees C. Sprouts should be consumed within 14 days from packing. Rinse lightly under cold clean water before use.

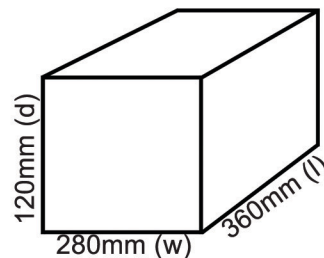

**Health Benefits:** Alfalfa is rich in antioxidants, containing protein, calcium, potassium, carotene, iron, and zinc. Vitamins A, B1, B6, C, E and K are also present.

**Product Sizes:** 120g (Box of 12 x 120g available wholesale).

**Availability:** Flowerdale Farm's Alfalfa & Trio Sprouts are cultivated in hydroponic conditions and are available year round.
