## Rockmelon Microgreen Pot - MIC55R

Another innovation from the team at Flowerdale Farm! Grown from the seeds of rockmelon (cantaloupe) is this sweet and fruity micro.

**Flavour:** Melon-like, aromatic, sweet, juicy flavour.

**Uses:** A great addition to sweet dishes. Try in fresh fruit salad or add to ice-cream and sorbet for a dessert with a difference. Rockmelon microgreen also works well as a balancing agent in salads and shines as a garnish in savoury meals.

**Appearance:** Large paired, lobe shape green leaves on pale stems.

**Storage:** To maintain freshness, store between 1-7 degrees C. Microgreen Rockmelon should be consumed within 10 days from packing. Rinse lightly under cold clean water before use

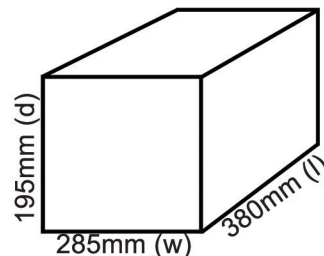

**Health Benefits:** Microgreen Rockmelon contains Vitamins A and C, in addition to potassium, calcium and iron.

**Product Sizes:** Open Pots (12 x pots available wholesale)

**Availability:** Flowerdale Farm's Microgreen Rockmelon is cultivated in hydroponic conditions and is available all year round

### Box Dimensions:
